

## **Student Guide to Examinations at Gower College Swansea 24/25**

All examinations and assessments run to JCQ or the equivalent regulations specified by the Awarding Body.

### **Entry Procedures**

Generally our lecturer will make the entry for you.

### **Your Exam Timetable**

For on-demand exams, your lecturer will confirm the date, time and venue for your exam

For summer series GCE exams, that is GCSE, A/AS levels, you will receive a statement of entry which you should check. Venues for these exams will be confirmed by your lecturer, but can also be viewed on the examination notice boards.

Your exam timetable will also be available to view on your eilp, and the main room for the exam will display next to your exam, up to 7 days before the exam is due to take place. If you have access arrangements that give you alternative rooming arrangements you will be notified where your exam will take place the day before.

**Examination Contingency days** – The awarding bodies set aside dates that they can use should the need arise to reschedule a paper. You should bear these dates in mind when arranging holidays. In Summer 24/25 the awarding bodies have designated the following days as 'contingency days' for summer 2025 examinations: **Wednesday 11<sup>th</sup> June 2025** afternoon and **Wednesday 25 June 2025** full day.

**Late Arrival / Absence**

**On-demand exams** - Please check the dates and times of each of your Examinations, if you make a mistake or missed your transport an alternative exam date will be arranged for you later in the year.

If you miss your exam completely you will need to inform the Examinations Office so that the exam is not delayed or held up whilst we are trying to track you down.

If you are very ill or hospitalised then you will need to bring evidence of this (medical practitioner letter) to the Examinations Office. It may be possible to apply to the awarding body for special consideration. You will need to complete and sign the necessary application forms available from the Examinations Officer.

**Dated/GCE exams** - Please check the dates and times of each of your Examinations. If you arrive late then you must go directly to the Examinations Office to report in. We will endeavour to give you the full time of the exam but this will be dependent on each exam. If you arrive after these times then it will be necessary to inform the awarding body. A decision will be made by the Examinations Officer whether you are able to sit the exam.

### **Coursework and Non Examined Assessment (NEA)**

If any aspect of your A level or GCSE qualification has an internally assessed, non-examined component – that means, you have completed coursework or controlled assessment that contributes to your final grade then your marks will be shared with you before they are submitted to the Awarding Body. Your lecturers will let you know when this date will be and when you know your marks, you may request a review of the marking.

### **Coursework - read Coursework Student Guidance**

### **Controlled Assessment – read Controlled Assessment Student Guidance**

Remember, the mark awarded by your lecturer is provisional and could go up or down when the moderation process is carried out by the Awarding Body.

If you have any questions or concerns, please speak to your lecturer.
