Blas ar Brifysgol

Venue : UWTSD Carmarthen Campus

Date: 23 & 24/06/2025.

We are very excited to invite level 3 – year 1 learners to a residential course for Welsh speakers to give a taste of our degree courses and student life at the University of Wales Trinity Saint David.

The two-day event aims to provide several taster sessions by lecturers on subject areas offered by the University and the benefits of studying through the medium of Welsh or bilingually. Also, as part of the programme there will be a keynote address by Ann Davies, Member of Parliament and former lecturer here at UWTSD. Workshops will be held on useful study skills, as well as sessions by employers. In the evening, social activities will be held led by some of the University's current students, to give a taste of life as a student here.

There will also be opportunity on both days to meet members of staff and students within specific areas of interest. Hopefully several new friendships will develop while making new connections across campuses and subject areas.
